CHANGES IN THE OPERATIONS OF THE NATIONAL OFFICE

The SNAT NEC informs all Union Structures and the General Membership [GM] about certain changes in the operations of the SNAT Office. The alterations have been necessitated by the intensity of the coronavirus pandemic evidenced by the high number of lives being lost, of late.

The changes are as underlisted:

1. Work shall resume at 08h30 until 13h00 from Monday to Friday.
2. Other Departments will work from home but only report for duty on specific days (Monday, Wednesday and Friday).

We wish to further take this time to request that the membership visit the National Office only and when a pressing need arises to ensure health and safety not only for themselves but their families as well as the entire Swazi populace at large. Adherence to the health regulations or protocol cannot be over-emphasised at this stage.
