## SNAT-STATEMENT ON THE CONTINUED HARASSMENT OF THE SNAT PRESIDENT MBONGWA DLAMINI BY THE ROYAL POLICE

### 1. INTRODUCTION

On Wednesday [17-07-2024], when the President of the SNAT, was busy executing his duties as the SATO President and SNAT President, the police noticed that he was not at home and went straight to Ngculwini where the President is residing. The fully armed OSSU Police from Manzini, pointed guns at the sickly mother of the President demanding to search the President's house.

The children present intervened by showing them the house of the President before the old Lady collapsed. They searched the whole house and in the end, they claimed to be searching for his nephew inside shoes and top of the wardrobe.

### 2. GIST OF THE STATEMENT

The SNAT is shocked by the behavior of the police with one Mfanakathini Ngwenya who is a neighbor of the President-leading the battalion.

The SNAT is still waiting for the Court date for the cases that the President reported at Mafutseni police over the death threats directed to the President

We are still waiting for the Court date for the people who broke into the house of

the President and we caught them red-handed and we handed them to the Manzini Police. Instead of coming to the rescue of the President and arrest the perpetrators, the victim is being harassed.

### **3. CONCLUSION**

- 3.1 The SNAT will, in the week-as usual, go and report the reluctant police officers from Mafutseni and Manzini Police station who are failing to execute their duties.
- 3.2 Report the OSSU police from Manzini who ill-treated and almost killed the mother of the President. The New NATCOM must prove himself as the good man for the job or he is like all other NATCOMS who came before him.
